North Carolina became a member of the State Authorization Reciprocity Agreements (SARA) in June, 2016.

Professional Licensure Information

The curriculum for all UNCP academic degree programs has been designed to meet the licensure/certification requirements in North Carolina and prepare students to sit for licensure/certification exams in North Carolina. The various licensure boards in each state are responsible for setting requirements for licensure/certification in their state. Other states have their own requirements, and you'll want to make sure your program meets criteria in your home state (or state where you intend to work) before you apply.

Search our state [Licensure Dashboard](#) to see if the program you're interested in meets the educational requirements for licensing/certification in your home state (or state where you intend to work).
